Maple Ridge Outfitters - Annual Report Fiscal 2025

Message from the CEO

Fiscal 2025 was a year of disciplined growth for Maple Ridge Outfitters. Net revenue reached CAD 48.2 million, an increase of 12% over fiscal 2024. Gross margin improved to 46.5%, up from 44.9% the previous year, driven by lower freight costs and a richer mix of private-label products.

We opened two new stores in fiscal 2025: Kelowna, British Columbia in March and Halifax, Nova Scotia in October, bringing our network to eight stores.

- Priya Natarajan, Chief Executive Officer

Digital and Customer Performance

E-commerce represented 31% of total revenue in fiscal 2025, compared with 27% in fiscal 2024. Mobile devices accounted for 64% of online sessions.

The loyalty program grew to 182,000 active members. Gold members generated on average 2.8 times the annual spend of non-members.

Net Promoter Score rose from 52 to 58. The product return rate was 7.9% of units sold, slightly better than the 8.4% recorded in fiscal 2024.

Strategic Priorities for Fiscal 2026

1. Sustainability: reduce Scope 1 and 2 carbon emissions by 18% by the end of fiscal 2027 against a fiscal 2023 baseline, and source 60% of apparel from suppliers rated A for sustainability.

2. Inventory productivity: cut stock-outs of top-20 SKUs by one third through automated replenishment and weekly cycle counts.

3. Omnichannel: raise the e-commerce share of revenue to 35% and offer two-hour in-store pickup at every location.

4. Footprint: evaluate two additional store locations in Atlantic Canada.
